

2023 INTERNATIONAL COASTAL CLEANUP

Greetings,

Keep Pinellas Beautiful (KPB), your local Keep America Beautiful affiliate, is recruiting sponsors to support the 2023 International Coastal Cleanup (ICC) season. During the months of September – October, KPB will be activating our communities to participate in the Ocean Conservancy's 2023 ICC. We have hosted the International Coastal Cleanup here in Pinellas County for over 25 years, joining other organizations and individuals from around the globe, to remove trash from the world's beaches and waterways and help assess the presence and volume of trash in our environment. This work has contributed to the identification of sources of debris and provided a better understanding of the behaviors that cause marine debris in the first place.

This year, throughout Pinellas County, we will have over 2,500 volunteers removing litter and marine debris from over 75 locations and we need your help! Please consider sponsoring our series to support the efforts of our volunteers. To recognize the amazing accomplishments of our volunteers we will host an after-event celebration on November 1st from 6-8pm at Hurricane Eddies on the Dunedin Causeway. This event will be a way to recognize our amazing volunteers, acknowledge the generous contributions of our Event Sponsors and have a little fun.

Please consider joining our efforts! By becoming a sponsor, you contribute to the success of the environmental efforts of our nonprofit organization. All donations, monetary or in-kind, are tax deductible and stay right here in Pinellas County to directly benefit our local community. The generosity and commitment of community leaders like you are vital to the ongoing success of our programs.

Sincerely,

Patricia DePlasco, KPB Executive Director
